## Section I – Items for Board of Directors Action

**TO:** Chair and Members of the Executive Committee  
Meeting #6/20, Friday, October 02, 2020

**FROM:** Laurie Nelson, Director, Policy Planning

**RE: APPOINTMENT OF OFFICERS AND DESIGNATION AS PROVINCIAL  
OFFENCES OFFICERS**

---

### KEY ISSUE

Recommended appointment of an officer under Section 28(1)(d) of the *Conservation Authorities Act*, and a Provincial Offences Officer be approved for the purposes of:

- i) Enforcing Regulations of the Toronto and Region Conservation Authority pursuant to Section 28 and 29 of the *Conservation Authorities Act*, R.S.O. 1990, c. C.27
- ii) Enforcing the *Trespass to Property Act*, R.S.O. 1990, c. T.21

### RECOMMENDATION

**THE EXECUTIVE COMMITTEE RECOMMENDS THAT Julia Pinder be appointed as an Officer and Provincial Offences Officer for the purposes of compliance and enforcement of Section 28 and 29 of the *Conservation Authorities Act*, R.R.O. 1990, and the *Trespass to Property Act*, by the Board of Directors of the Toronto and Region Conservation Authority (TRCA), pursuant to Section 28(1)(d) of the *Conservation Authorities Act*.**

### BACKGROUND

The *Conservation Authorities Act* provides for a conservation authority to appoint officers to enforce its regulations. Furthermore, the Minister of Natural Resources and Forestry has implemented, under the authority of Subsection 1(3) of the *Provincial Offences Act*, a class designation process for all conservation authorities whereby any conservation authority officer appointed under Section 28 (1)(d) of the *Conservation Authorities Act* shall be designated by the Minister simultaneously as a Provincial Offences Officer. Once appointed, officers have the authority to enforce offences and Regulations under the *Conservation Authorities Act*, in addition to the *Trespass to Property Act* when carrying out their duties within the jurisdiction of the conservation authority.

The prerequisite to the Minister's Provincial Offences Officer appointment is that all candidate officers:

- i) Be adequately trained in the legislation to be enforced, including the *Provincial Offences Act*;
- ii) Have proof of a clean criminal record check, and;
- iii) Be appointed as an officer to enforce conservation authority legislation at an official board meeting.

Pursuant to the approval of the above noted appointment, the Minister's requirements have been addressed.

### RATIONALE

Julia Pinder has recently been hired as a full-time employee to replace a vacancy within the Enforcement and Compliance business unit. This appointment will enable her to assist with the regulatory requirements and compliance objectives of the TRCA.

## Item 7.1

### **Relationship to Building the Living City, the TRCA 2013-2022 Strategic Plan**

This report supports the following strategies set forth in the TRCA 2013-2022 Strategic Plan:

**Strategy 2 – Manage our regional water resources for current and future generations**

**Strategy 4 – Create complete communities that integrate nature and the built environment**

**Strategy 7 – Build partnerships and new business models**

### **FINANCIAL DETAILS**

This position fills a current vacancy within the Enforcement and Compliance business unit. No additional expenses are anticipated in the existing Enforcement and Compliance budget.

### **DETAILS OF WORK TO BE DONE**

New Officers of TRCA undertake Confrontation Management Training, training to become a Certified Inspector of Sediment and Erosion Control (Can -CISEC) training, and other training relevant to the position, recognizing limited available resources.

Attachment 1: Background Information

## Background Information

The *Conservation Authorities Act*, s.28(1)(d) and 28(1)(e), allows for the appointment of officers to enforce s.28 (Ont. Reg. 166/06 - natural hazard/ natural heritage regulation) and s.29 (R.R.O. 1990, Regulation 119 (Reg 119 - lands owned by the authority)).

In 1999, the Minister of Natural Resources and Forestry (MNRF) implemented, under the authority of s.1(3) of the *Provincial Offences Act*, a class designation process for conservation authority officers that simultaneously designated them as Provincial Offences Officers. This provided officers the ability to enforce both the conservation authority regulations and the *Trespass to Property Act* (TPA).

This appointment is contingent on candidates meeting the following prerequisites:

- Being adequately trained in the legislation being enforced, including the *Provincial Offences Act*;
- Having proof of a clean criminal background;
- being appointed as an officer at an official Board Meeting.

TRCA has established a tradition of appointing officers in three distinct categories:

1. Enforcement Officers appointed on a full-time basis to establish compliance with, and to enforce our legislation (Ont. Reg. 166/06, Reg. 119 and TPA). Enforcement Officers play an important role in the Authority's objectives to prevent, eliminate, or reduce the risk to life and property from flooding, erosion and slope instability, and to encourage the protection, enhancement and enjoyment of the natural systems, recreational facilities and landholdings.

Enforcement Officers actively participate in environmental and construction compliance and protection initiatives within our regulatory jurisdiction, in addition to public safety and land use infractions. This position entails conducting regular compliance audits/ inspections of TRCA Planning and Development permit sites, responding to public inquiries and complaints regarding the Authority's permitting processes, addressing unauthorized activities on our landholdings, and participating in TRCA River Watch program associated with our corporate flood forecasting and warning responsibilities.

Officers routinely interact with other internal TRCA business units, and liaise closely with external partnering agencies, including our member municipalities and provincial and federal agencies. Officers maintain communications with developers, consultants, contractors, special interest groups, stakeholders, landowners, and the general public to address our compliance objectives and promote awareness of TRCA's initiatives.

Officers maintain accurate records and reports, negotiate compliance with our legislation, conduct investigations, and initiate legal action for significant unlawful activities.

2. Provincial Offences Officers consist of full-time employees within our Parks and Culture Division, and the appointment provides staff members the ability to enforce s.29 of the *Conservation Authorities Act* (Reg 119 and TPA).

The designations of senior Conservation Parks staff and supervisors within our conservation areas provide the required authority to address public safety concerns, compliance issues, unauthorized land use activities, and aid in the protection and promotion of family oriented recreational facilities on our landholdings. These staff members are primarily responsible for overseeing the operations and maintenance of

our conservation areas and campgrounds, supervision of seasonal staff members, and for divisional business planning. Although their job function is not enforcement oriented, staff will engage in the enforcement and compliance role based on availability and when deemed appropriate and safe to do so. Provincial Offences Officers within our Conservation Parks provide a great deal of value to the organization and the public, and represent the Authority's compliance interests in a professional manner.

Appointed staff members identify and address compliance issues associated with unauthorized land use activities, aid in mitigating risk, liaise with and work alongside TRCA Enforcement Officers on strategic weekend shifts/ patrols, supervise site operations of our contracted security provider, and arrange for special paid duty patrols of police in order to promote the safety and enjoyment of our conservation areas and campgrounds. Threats to TRCA staff and the public, and issues involving criminal activities, are referred to local police agencies and documented for internal records and reporting.

3. Administrative Enforcement Officers consists of our Chief Executive Officer and senior staff members within our Development and Engineering Division (Associate Directors, Senior Managers, Managers, Senior Planners).

Although there is no legislative requirement within our Act to have permits signed/ authorized by an Enforcement Officer, Section 3(3) of Ont. Reg. 166/06 identifies a requirement to have the Executive Committee or designate staff member(s) with respects to granting permissions (permits) for approvals issued under s.28 of the Act.

*3(3) Subject to subsection (4), the Authority's executive committee, or one or more employees of the Authority that have been designated by the Authority for the purposes of this section, may exercise the powers and duties of the Authority under subsections (1) and (2) with respect to the granting of permissions for development in or on the areas described in subsection 2 (1). O. Reg. 82/13, s. 2.*

TRCA has a tradition of having permissions/ permits signed by Enforcement Officers, and these administrative appointments are solely for this purpose, and not intended to provide designations to enforce provisions of any Act or regulation.

TRCA currently has a total of:

- Five (5) full time appointed Enforcement Officers
- Nine (12) appointed Provincial Offences Officer within our Conservation Parks

**TRCA staff appointments as Officers and Provincial Offences Officers:**

**1. Enforcement Officers:**

Brian Moyle, Manager, Enforcement and Compliance

### Section I – Items for Board of Directors Action

**TO:** Chair and Members of the Executive Committee  
Meeting #6/20, Friday, October 02, 2020

**FROM:** Michael Tolensky, Chief Financial and Operating Officer

**RE:** **EXTENSION OF ENCROACHMENT AGREEMENT**  
Request from the City of Toronto for concurrence to enter into an extension of an encroachment agreement affecting Authority owned lands, managed by the City of Toronto at the rear of 122 Camborne Avenue, City of Toronto, Humber River Watershed (CFN 28685)

---

#### KEY ISSUE

Receipt of a request from the City of Toronto for concurrence to enter into an extension of an encroachment agreement affecting Toronto and Region Conservation Authority-owned land managed by the City of Toronto at the rear of 122 Camborne Avenue, City of Toronto located on the north side of Camborne Avenue and east of Jane Street, Humber River watershed.

#### RECOMMENDATION

**THE EXECUTIVE COMMITTEE RECOMMENDS THAT WHEREAS** Toronto and Region Conservation Authority (TRCA) is in receipt of a request from City of Toronto for concurrence to enter into an extension of an encroachment agreement as a means of resolving encroachment problems on the lands owned by the Toronto and Region Conservation Authority in the vicinity of 122 Camborne Avenue, City of Toronto, Humber River watershed;

**AND WHEREAS** this is an extension of an encroachment agreement entered into by the homeowner, the City of Toronto and Toronto and Region Conservation Authority and registered on May 14, 1999;

**AND WHEREAS** it is in the opinion of TRCA that it is in the best interest of TRCA in furthering its objectives, as set out in Section 20 of the *Conservation Authorities Act*, to cooperate with the City of Toronto in this instance;

**THEREFORE, LET IT BE RESOLVED THAT** TRCA concur to enter into an extension of an encroachment agreement with the City of Toronto and the homeowner for the encroachment of 37 square metres (.009 acres), more or less, said land being Lot 259 on Plan 4439 in the City of Toronto (Formerly City of North York) as registered in Land Registry Office #66 municipally known as 122 Camborne Avenue, City of Toronto;

**AND FURTHER THAT** authorized TRCA officials be directed to take the necessary action to finalize the transaction, including obtaining any necessary approvals and the signing and execution of documents.

#### BACKGROUND

At Authority Meeting #2/99, held February 26, 1999, Resolution #A46/99, was approved to allow TRCA to enter into an encroachment agreement with the City of Toronto and the homeowner at 122 Camborne Avenue, City of Toronto, to resolve encroachment issues on TRCA-owned land managed by the City of Toronto.

## Item 7.2

This encroachment agreement requires an extension and City of Toronto is requesting TRCA concur with the extension of said agreement as the encroachments onto TRCA-owned lands remain in the form of: part of existing concrete in-ground swimming pool, stone patio, part of wooden fence, part of black wrought iron fence, block retaining walls.

Attachment 1 is a sketch illustrating the location of the encroachment area. Attachment 2 is an orthophoto illustrating the location of the encroachment area.

### **Relationship to Building the Living City, the TRCA 2013-2022 Strategic Plan**

This report supports the following set forth in the TRCA 2013-2022 Strategic Plan:

### **Strategy 7 – Build partnerships and new business models**

### **FINANCIAL DETAILS**

The subject lands are under management agreement with the City of Toronto. All expenses and revenue related to this matter will accrue to the City of Toronto.

## Section IV – Ontario Regulation 166/06, As Amended

**TO:** Chair and Members of the Executive Committee  
Meeting #6/20, October 2, 2020

**FROM:** Sameer Dhalla, Director, Development and Engineering Services

**RE:** **APPLICATIONS FOR PERMITS PURSUANT TO ONTARIO REGULATION 166/06, AS AMENDED**  
Development, Interference with Wetlands and Alterations to Shorelines and Watercourses

---

### KEY ISSUE

Pursuant to Ontario Regulation 166/06, as amended, written permission from the Authority is required for:

- a) straightening, changing, diverting or interfering in any way with the existing channel of a river, creek, stream or watercourse, or for changing or interfering in any way with a wetland;
- b) development, if in the opinion of the Authority, the control of flooding, erosion, dynamic beaches or pollution or the conservation of land may be affected by the development.

A permit may be refused through a Hearing Process, if in the opinion of the Authority, the control of flooding, erosion, dynamic beaches, pollution or the conservation of land is affected.

### RECOMMENDATION

**THAT standard delegated permits, permission for routine infrastructure works, minor works letters of approval, and permits after the fact / resolution of violations granted by Toronto and Region Conservation Authority staff, in accordance with Ontario Regulation 166/06, as amended, which are listed below, be received.**

<b>STANDARD DELEGATED PERMITS FOR RECEIPT– STAFF APPROVED AND ISSUED</b>
--

Delegated Permits are processed by Development and Engineering Services Division staff, authorized by designated staff appointed as Enforcement Officers by the Board of Directors and received monthly by the Executive Committee. Delegated permits are categorized as standard, routine infrastructure works, emergency infrastructure works, minor works and permits after the fact/resolution of violations. Standard permits are non-complex permissions consistent with TRCA approved policies and procedures and issued for a time period of two years or less.
