

Attachment 5 - Additional Permit Condition

Attachment 5

Additional condition for approval by Board of Directors on June 24, 2022

13. Prior to the construction of any temporary or permanent infrastructure, buildings or site grading, the Permit Holder shall provide revised site plan, elevations, grading, stormwater management and erosion and sediment control drawings to TRCA satisfaction to address TRCA technical comments dated June 6, 2022 and any subsequent comments.
