Section I – Items for Authority Action

TO: Chair and Members of the Executive Committee

Meeting #8/18, Friday, October 05, 2018

FROM: Michael Tolensky, Chief Financial and Operating Officer

RE: TORONTO AND REGION CONSERVATION AUTHORITY ADMINISTRATIVE

OFFICE BUILDING PROJECT

Contract #10008935 for Construction and Term Financing

KEY ISSUE

Award of Contract #10008935 for up to \$54 million in construction and term financing to support the construction of the new administrative building.

RECOMMENDATION

THAT Contract #10008935 to provide construction and term financing for Toronto and Region Conservation Authority's (TRCA) Administrative Office Building Project in the City of Toronto, a Facility 1 - construction loan all-in rate at 2.51% and a Facility 2 - term loan all in rate at 3.738% (30 year), be awarded to Canadian Imperial Bank of Commerce (CIBC), it being the highest ranked proposal that best meets TRCA's requirements as stipulated in the Request for Proposal;

AND FURTHER THAT authorized officials be directed to take the necessary action to implement an agreement including the signing and execution of documents.

BACKGROUND

At Authority Meeting #5/16, held on June 24, 2016, Resolution #A85/16 approved the construction of an administrative office building at 5 Shoreham Drive in Toronto and directed staff to take the necessary action to complete the project. Since October 2017, TRCA staff has been working with an integrated design team, led by ZAS Architects and Bucholz McEvoy Architects in joint venture, to realize a new administrative office building within a \$63,538,000 budget. The proposed head office concept, as presented to the Authority on May 25, 2018 consists of a highly efficient, four storey 7,500m² (80,000ft²) mass-timber structure. At Authority Meeting #6/18, held on July 20, 2018, Resolution #A112/18 approved the project update which proposes to modify the previous Authority approval of the administrative office building project to adhere to budgetary changes.

TRCA is currently proceeding with the Site Plan Approval process with a target of completing construction and achieving occupancy of the building by June 2021. TRCA is now in a position to arrange for debt financing to facilitate the construction of the Project. In order to obtain financing terms and conditions from qualified Canadian financial institutions, the following objectives were established:

- Reflection of the credit quality of the municipal funders in the financing agreement;
- Lowest available all in financing cost:
- Maximize term to match underlying amortization period;
- Minimize financial and reporting covenants; and
- Mitigate interest rate risk.

Competitively retaining a financial institution through the open market to provide construction and term financing will ensure the most favourable financial outcome for TRCA and the Head Office project.

RATIONALE

Request for Proposal #10008935 to provide project financing from a qualified financial institution for TRCA's Administrative Office Building Project was publicly advertised on the electronic procurement website Biddingo (www.biddingo.com) on August 8, 2018. Prospective proponents interested in submitting a proposal were advised a weighted evaluation process would be used to select the successful proponent as follows:

Criteria	Weight	
Terms and Conditions	40	
2. Cost	50	
3. Experience and Quality of Proposal	10	
Total Weighted Points	100	

On August 31, 2018 TRCA received three submissions from the following financial institutions. Based on the results from the evaluation of the submissions received the three proponents were ranked as follows:

Criteria	CIBC	RBC	TD Bank
Overall Rating	88	67	48

The proposal from CIBC is the highest ranking proposal and best aligns with TRCA's objectives and evaluation criteria. The proposal offers: the lowest relative cost of capital, longest term available for the term loan, unsecured, general obligation of TRCA; simplified documentation process, no fees or expenses; and most borrower-friendly terms and conditions including conditions precedent.

FINANCIAL DETAILS

The funds would be placed in account 436-06.

DETAILS OF WORK TO BE DONE

The approximate timeline is as follows:

Selection and communication with preferred lender and communications and debriefs with

unsuccessful lenders
Negotiation of financing agreements
Financial close
October 2018;
November 2018;
December 2018;

• Site Plan Approval July, 2018 – July, 2019

Building Permit
Tender Contract Documents
Award Construction Contract
Construction (incl. partial bldg. permits)
October, 2018 – August, 2019
July, 2018 – March, 2019 – July, 2019
April, 2019 – June, 2021
