

Section II – Items for Executive Action

TO: Chair and Members of the Executive Committee
Meeting #7/19, Friday, September 06, 2019

FROM: Sameer Dhalla, Director, Development and Engineering Services

RE: **APPOINTMENT OF ENFORCEMENT OFFICER**

KEY ISSUE

Recommended appointment of one Enforcement Officer for the purpose of signing authority in the administration of the Development, Interference with Wetlands and Alterations to Shorelines and Watercourses Regulation (Ontario Regulation 166/06, as amended).

RECOMMENDATION

THAT Anthony Sun be appointed as Enforcement Officer for the purposes of Section 3(3) of the Development, Interference with Wetlands and Alterations to Shorelines and Watercourses Regulation (Ontario Regulation 166/06, as amended) by the Board of Directors of the Toronto and Region Conservation Authority (TRCA), pursuant to Section 28 of the *Conservation Authorities Act*.

BACKGROUND

The Conservation Authorities Act provides for a conservation authority to appoint enforcement officers. Ontario Regulation 166/06 provides for the executive committee, or one or more employees of the Authority, to be designated for the purposes of granting of permissions pursuant to Section 28 of the Act. These appointments will provide for the delegation of authority to staff for authorizing the issuance of permits approved by the Executive Committee under the Regulation. Staff delegated with this responsibility historically consists of our Chief Executive Officer and senior staff members within our Development and Engineering Services Division (Director, Associate Directors, Senior Managers, Managers, Senior Planners).

RATIONALE

Mr. Anthony Sun has recently been appointed to the position of Senior Planner within the Development and Engineering Services Division, and responsible for oversight and supervision of staff associated with the review and approval of applications. The recommended appointment as Enforcement Officer will allow him to authorize the issuance of approvals for the work that he supervises.
