January 16, 2020

Clerk and Manager, Policy  
Toronto and Region Conservation Authority  
Board of Directors  
101 Exchange Avenue  
Vaughan, ON L4K 5R6

Agenda Item for the January 24, 2020, Toronto and Region Conservation Authority Board of Directors meeting

### **Request for Multi-Use Trail Centennial College Progress Campus and Military Trail Road**

#### Recommendation:

1. That the Toronto Region Conservation Authority include funding to plan for the design and implementation process to complete a Military Trail Multi-Use Trail to Centennial College Progress Campus in the 2020 budget process.
2. That Toronto Region Conservation Authority staff report back to the Board of Directors at the scheduled April 24, 2020 Board of Directors meeting on the progress to restore connections and bridges between the Centennial College Progress Campus and Military Trail Road to create a multi-use trail including the funding required for the project.

Within the Highland Creek watershed – where Markham Branch meets Malvern Branch - there is a confluence with naturalized trail, which extends from the rear of the Centennial College Progress Campus (941 Progress Avenue) all the way to Military Trail road. However the multi-use trail, along with bridge connections over the watershed, is not properly connected and accessible. The existing trail is disconnected and allows individuals to only reach a certain section. Access points exist from both the rear of the Centennial College and from the Military Trail, however the trails remain obstructed and disconnected.

An accessible, properly connected, and uninterrupted multi-use trail would allow the residents, students, and nature lovers to walk or cycle to the College campus and to Markham Road, thereby easing the need to drive and put less pressure on traffic in the area. The multi-use trail would also provide access for recreational use such as biking, hiking, nature activities from Centennial College (just south of Highway 401) all the way to the shore of Lake Ontario at the mouth of Highland Creek.

Thank you, in advance, for your consideration of this request.

Sincerely,

Paul W. Ainslie
