

### Section III – Items for the Information of the Board

**TO:** Chair and Members of the Board of Directors  
Meeting #06/20, Friday, September 25, 2020

**FROM:** Sameer Dhalla, Director, Development and Engineering Services

**RE:** **UPDATE ON APPROVED DELEGATED MAJOR PERMITS**  
July and August 2020

---

#### KEY ISSUE

TRCA staff are required to report back on any major permits issued through the approved delegated process during the months of July and August 2020.

#### RECOMMENDATION

**IT IS RECOMMENDED THAT the staff report regarding the staff issuance of major delegated permits during the period of July and August 2020, be received.**

#### BACKGROUND

At Board of Directors Meeting #9/19, held on October 25, 2019, Resolution #A184/19 was approved as follows:

*THAT the approval of all major development and infrastructure permits within the TRCA's regulatory jurisdiction for the months of December 2019 and July, August and December 2020 be delegated to the Director, Development and Engineering Services;*

*THAT staff provide a report to the Board of Directors at the September and January meetings to summarize permits that were approved under this delegation of authority.*

#### RATIONALE

During the months of July and August 2020, staff issued no major development permits and one major infrastructure permit within TRCA's regulatory jurisdiction, as follows:

1. A five-year major permit was issued to the Regional Municipality of Peel for the construction of a 2,400 mm diameter trunk sanitary sewer from the northeast corner of Dixie Road and Bramalea Road westerly along Derry Road into Credit Valley Conservation's (CVC) jurisdiction. Work within TRCA's jurisdiction has been divided into two separate permit applications. As part of the Region of Peel's phased work plan for the ultimate construction of this new east-west diversion trunk sewer, the approved application (CFN 60046) includes the construction of the trunk sewer from the northeast corner of Dixie Road and Derry Road, westerly along Derry Road to just west of Highway 410. Work will also involve the construction of a temporary fill pad at the northeast corner of Dixie Road and Derry Road which will be used for construction purposes. Once construction has been completed a portion of the fill will be removed and the site converted to a permanent maintenance access site.

As required, the Clerk provided a copy of the attached permit report to Executive Committee members for a review period of one week. No comments were received from members. Permit C-200732 was issued on August 31, 2020.

## Item 9.9

### **Relationship to Building the Living City, the TRCA 2013-2022 Strategic Plan**

This report supports the following strategy set forth in the TRCA 2013-2022 Strategic Plan:  
**Strategy 7 – Build partnerships and new business models**

### **FINANCIAL DETAILS**

Funding for the review of Peel Region permit applications is made available through a service level agreement within the TRCA-Peel Region Capital Funding program.
